DMN Founding Expert Agreement

Dental Member Network · a service offered by Thriving Dentist Inc.

This agreement is between the **Dental Member Network**, a service offered by Thriving Dentist Inc., and **(your name)** (with (your name) as the featured expert). If anything here is unclear, ask us before you accept.

✓ Expert | Partner

1. What you're joining

The Dental Member Network is a membership for dental practices. As a founding expert, your knowledge is featured to our members. This agreement covers how that works, what it costs, and how either of us can end it.

2. Term and cancellation

- Month-to-month, with no long-term contract.
- You can cancel anytime with 30 days' written notice. So can we.
- We can end it immediately if you break these terms.
- If you cancel and re-join later, any founding rate you had no longer applies.

3. What it costs

Your expert listing (your content and profile): **free, for as long as your membership stays continuously active**, our founding-expert offer. If you cancel and re-join, this no longer applies.

4. Using your content and name

- You keep ownership of everything you create and share.
- While this agreement is active, you give us permission to repurpose it into member resources and to use your name, photo, and company to do that and to market the network.
- The resources we build for you are yours to keep and use on your own website, in your talks and on social media, including after you leave.
- If you leave, we take down your profile, your listing, and any resources that feature only you, within 30 days. Content where you appear alongside others (panels, group sessions, podcasts) remains in the network. (Copies members already downloaded can't be recalled.)

5. Conduct and honesty

- Be truthful in what you claim and what you offer members.
- You may promote your own services to members who reach out. Our “no upsells” promise is about DMN never pushing members, not about limiting you.
- Use the Thriving Dentist and DMN brands only as we agree.

6. The basics

- You're an independent expert, not our employee or agent.
- DMN connects members with experts and partners; we're not responsible for the advice you give or the products you sell, and you'll cover us for claims arising from your content or offerings.
- Keep member information confidential and don't misuse it.

7. The fine print, kept short

- All prices are in US dollars; applicable taxes are added on top.
- If a payment fails, we'll retry and pause your listing until it's resolved. No pro-rated refunds for partial months.
- We don't guarantee results, leads, or revenue, and the platform is provided as-is. We are not responsible for losses you may incur from this partnership. Our total liability to you is capped at the fees you've paid us in the previous 12 months, and neither of us is liable to the other for indirect or consequential losses.
- In the resources we build from your content, the substance stays yours; our branding, design, and templates stay ours, but you may keep using the finished resources we built for you.
- We can update these terms at any time.
- Written notice means email, using the addresses on this agreement.
- This agreement is governed by the laws of the Province of Ontario, Canada. Any dispute will be resolved through confidential binding arbitration in Ontario rather than in court.
- This is our entire agreement. If one part can't be enforced, the rest still applies.

Schedule A: Expert

- We build you a done-for-you resource library from your content, plus a featured profile in the member portal.
- Members find you by category and contact you through your profile. We route member questions to you, but don't guarantee a number of leads.
- You may list your own courses and products for members. Members buy them on your own site and you keep the full price. Each one needs an offer only members get.
- We don't offer exclusivity for our experts; members choose who they want to work with.
