DMN Founding Partner Agreement

Dental Member Network · a service offered by Thriving Dentist Inc.

This agreement is between the **Dental Member Network**, a service offered by Thriving Dentist Inc., and **(your company)**. If anything here is unclear, ask us before you accept.

Expert ✓ Partner

1. What you're joining

The Dental Member Network is a membership for dental practices. As a founding partner, your company is featured to our members. This agreement covers how that works, what it costs, and how either of us can end it.

2. Term and cancellation

- Month-to-month, with no long-term contract.
- You can cancel anytime with 30 days' written notice. So can we.
- We can end it immediately if you break these terms.
- If you cancel and re-join later, any founding rate you had no longer applies.

3. What it costs

Your partner listing, billed monthly through Stripe:

Your first six months are free, counted from the day you accept. After that, the fee is $49 a month. From month 13, the fee is the amount shown on your sign-up page, either $49 or $199 a month. One fee covers every role on this agreement, and your rate is locked while you stay.

$0	$49/mo
Months 1–6	Month 7 onward

Your plan: Monthly · $49 flat. You'll see this on the sign-up page before you pay.

4. Using your content and name

- You keep ownership of everything you create and share.
- While this agreement is active, you give us permission to repurpose it into member resources and to use your name, photo, and company to do that and to market the network.
- The resources we build for you are yours to keep and use on your own website, in your talks and on social media, including after you leave.
- If you leave, we take down your profile, your listing, and any resources that feature only you, within 30 days. Content where you appear alongside others (panels, group sessions, podcasts) remains in the network. (Copies members already downloaded can't be recalled.)

5. Conduct and honesty

- Be truthful in what you claim and what you offer members.
- You may promote your own services to members who reach out. Our “no upsells” promise is about DMN never pushing members, not about limiting you.
- Use the Thriving Dentist and DMN brands only as we agree.

6. The basics

- You're an independent company, not our employee or agent.
- DMN connects members with experts and partners; we're not responsible for the advice you give or the products you sell, and you'll cover us for claims arising from your content or offerings.
- Keep member information confidential and don't misuse it.

7. The fine print, kept short

- All prices are in US dollars; applicable taxes are added on top.
- If a payment fails, we'll retry and pause your listing until it's resolved. No pro-rated refunds for partial months.
- We don't guarantee results, leads, or revenue, and the platform is provided as-is. We are not responsible for losses you may incur from this partnership. Our total liability to you is capped at the fees you've paid us in the previous 12 months, and neither of us is liable to the other for indirect or consequential losses.
- In the resources we build from your content, the substance stays yours; our branding, design, and templates stay ours, but you may keep using the finished resources we built for you.
- We can update these terms at any time.
- Written notice means email, using the addresses on this agreement.
- This agreement is governed by the laws of the Province of Ontario, Canada. Any dispute will be resolved through confidential binding arbitration in Ontario rather than in court.
- This is our entire agreement. If one part can't be enforced, the rest still applies.

Schedule B: Partner

- Your company is listed in the partner directory, in your category.
- You give members an offer they can **only get through DMN** (you decide what it is; it must be exclusive to members).
- You keep a booking link or contact live and respond to members within one business day.
- Every practice you bring in as a paying member takes one month off your fee. Five paying members = six months off.
